Detail is what sets the NUVO design apart.

Fine brush strokes in the nickel finishes, grain in the linen of our shades, consistency in the air flow of our seeded glass shades—apparent details in NUVO’s workmanship make for enhanced quality in overall design.

Endless styles and selection.

SATCO|NUVO offers one of the largest in-stock selections of style families. Our wide range of decorative luminaires includes sconce, flush mount, pendants, mini-pendants, semi-flush, chandeliers, vanities and more.

QUALITY AND VERSATILITY

Many of SATCO|NUVO's decorative fixtures are certified for use in damp and wet locations, adding versatility to your design board.

The sleek lines of many of our sconces are as comfortable in a corridor or bathroom as a bedroom, elevator lounge, meeting room or lobby, so getting creative is easier with our line.

Through technology in manufacturing, SATCO|NUVO engineers fixtures to offer more. Whether more versatility in use, more add-on features or more certifications, we look for more ways to help our customers save energy, meet codes, improve safety and gain value.

Damp & Wet Certified Fixtures

From decorative to general illumination options and everything in between, SATCO|NUVO offers the fixtures you need for your bathroom, balcony and wet environments.

Utility, Emergency Lighting & More

SATCO|NUVO offers certified lighting fixtures for closets and small spaces as well as attractive emergency back up lighting with a variety of sensor options.

Yes, We Are Still Green!

Many of SATCO|NUVO fixtures are energy efficient and qualify towards LEED® points.
