ADINA

PENDANT

A stunning collection that blends contemporary style with streamlined design elements, Adina is effortless lighting at its finest. Complimented with natural brass accents, the matte black finish is sleek, showcasing its clean lines. Housed within beautifully crafted shades, the light casts a warm and inviting glow when illuminated. A versatile collection with a minimalist appeal, making this series a great choice for those who want to create a modern and understated look in their home decor.

ALEXIS

PENDANT

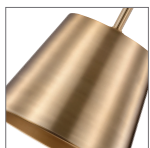

The Alexis pendants showcase a stylish and understated lighting solution for today's home. The finishes are sophisticated and modern on the canopy, rod, and matching metal shade, unifying the overall artistic vision of the design. Bring a tired entry way into the 21st century, create a row of unique lighting in an office or work study, or provide additional task lighting over a kitchen island. The focus on essential elements like style, design, and finish, all come together to create a sleek and uncluttered appearance. Alexis beautifully integrates into various decors and lighting solutions.

ALTOS

PENDANT AND SEMI-FLUSH

The Altos Collection adds a touch of drama and intrigue to any space. The natural brass accents provide a warmth to the industrial-inspired construction, which is finished in a velvety, matte black. The meticulous attention to detail in the laser-cut shade and matching rivets provide Altos with its signature style and refined design. Effortlessly blending traditional with modern aesthetics, elevate your surroundings with a functional flush mount or stunning pendant.

MARSDEN

CHANDELIER, SEMI-FLUSH AND VANITY

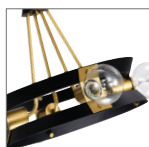

An air of boldness and style reign supreme with the Marsden Collection. Add a touch of modern design with the visually striking two-toned finish. Brassy hues are delicately spaced along the matte black landscape, seamlessly blended within the fixture body. Pair with vintage-style bulbs for a dreamy glow, romance in lighting done perfectly. Marsden elevates your space to new heights in illumination, a testament to industrial-inspired lighting.

YORKTOWN

PENDANT

Maintaining a contemporary aesthetic, the Yorktown pendants embody a traditional design approach that is free and airy. Incorporating a simple frame draws your eye to the clean lines and simplicity, without sacrificing style. A large, clear glass cylinder sits gently within the fixture, for maximum output from the light source. Striking a balance between traditional and minimalism, these pendants are available in two sizes, creating a sense of space and openness, suitable for various rooms including dining, entry and living areas. Yorktown ensures timeless elegance for your home.

EASTON

PENDANT

Classic design is perfectly showcased with the Easton pendants, bringing traditional design, and refined details, to name a few of the characteristics of this beautiful series. A white linen cylinder-style shade softly diffuses illumination for romantic, yet suitable lighting for any location you desire. Understated elegance to add drama to an entry way, a warm glow in a dining room, an inviting silhouette in a kitchen, these pendants come in two sizes with one-light, or three-light configurations, ideal for creating a welcoming and relaxing environment. The Easton pendant is superior lighting in a sophisticated package.

MELROSE

PENDANTS

Searching for a high-quality luminaire without breaking the bank? The Melrose slim pendants absolutely fit the bill! These pendants are elongated, and slightly tapered, a dramatic and stylish design all in one convenient package. Offering functionality and integrated LED, these pendants are suited for kitchens, dining rooms, bedrooms, and with the damp rating, they can be placed over a vanity in bathrooms. With the purchase of the TP232 adapter, these pendants are also track compatible, allowing you to create a beautiful track system optimized to your needs.

Item#	Description	Finish	Light Source	Watts	Length	Width	Height	Ext.	CCT	Lumens	CRI	Cert. Type
